

2015 Spring/Summer Meet Schedule

Hello everyone! Listed below is the meet schedule for the upcoming Fall/Winter season. We do not expect swimmers to attend every meet available; instead we have listed who should attend which meets. If you have any questions about the best schedule for your child, contact his/her coach.

FAQ: What does “cuts” mean? Some meets have time standards by event in order to compete in the meet, these are generally referred to as “cuts”. All the time standards for the meets we are attending are listed in their respective meet information which we will include in the respective meet events listing. If no standards are noted, then the meet does not have any time standards or “cuts” required. When signing up, entry times listed in BLACK are events your swimmer has the standard, events listed in RED are events your swimmer does not have the standard.

FAQ: Where do we sign up? When signing up for meets, first be sure to login into your account on our team website. Once logged in, select the “Events” tab. There you will find listed by date, all the events that we have offered to attend. Select the “commitment/register” tab under the event you wish to sign up for. Lastly, select the athlete you want to add and select “yes” to attend.

Clinics vs Meets: FYI, we have listed on here any event that the swimmers will need to sign up for. So, if an event is listed as a meet, then events will be raced and times counted. If an event is listed as a clinic, then the swimmers should still sign up, but it will be a day when the coaches run a specific practice working on a specific detail.

Date	Location	Host/Meet Name	Who Should Attend	Schedule
Sat April 18th	Waukesha South HS	Express Intrasquad	All Age Group Swimmers	W-ups 9:30 AM Meet start 10:15 AM
