AT EVANS CHIROPRACTIC & PAIN RELIEF LASER CLINIC WE GET ATHLETES OF ALL SKILL LEVELS BACK IN THEIR SPORT FASTER THAN ANY OTHER CLINIC

THANKS TO OUR REVOLUTIONARY NEW PAIN RELIEF THERAPY PROGRAM

We are the **ONLY** clinic in the region that has the combination of therapies that are critical for your most **rapid recovery**. First and foremost we offer the most powerful and effective **Class 4 MLS Robotic Laser Therapy** in the area and we have been using it extensively since 2012.

Additionally, we couple the powerful **Class 4 MLS Robotic Laser Therapy** with a multitude of other therapies (as indicated for each patient) which have been tried and tested in our facility for validity, reliability and effectiveness over that past 3 years. If you have had enough of your ACHING, NAGGING, STABBING that no other therapy has been able to eradicate, come on in for your **Complimentary Consultation** with Dr. Evans to see if our program will work for you. At Evans Chiropractic & Pain Relief Laser Clinic all of the staff is **Board Certified** in their chosen specialty.

Early in her career, Dr. Evans worked as a Trainer with a professional football team and since has dedicated her career to helping athletes of **ALL** skill levels achieve their performance goals.

“Our patients appreciate being able to get the care they need all under one roof, it saves them so much time. And in a lot of ways. Too many people go from one therapy to another hoping for relief,” Evans said. In my experience, combining therapies increases the effectiveness of all the therapies.

To fully understand and diagnose your condition, Evans Chiropractic & Pain Relief Laser Clinic uses several approaches including:

- MLS Class IV Laser Robotic Therapy
- A complete physical examination
- An orthopedic examination
- A neurological examination
- A complete gait analysis
- Acupuncture Therapy evaluation

After identifying the source of your pain, Evans Chiropractic & Pain Relief Laser Clinic is proud to offer a comprehensive therapy program all **under one roof!** With a customized approach, patients receive a combination of the necessary treatments, which can include:

- Chiropractic care
- Rehabilitation exercises and therapy
- Trigger Point Therapy
- Electro-acupuncture
- Massage therapy including Swedish, deep tissue and therapeutic
- Sound Wave Therapy
- Complete Nutritional Program

All programs include complete nutritional support on your Evans Chiropractic & Pain Relief Laser Clinic is a road to recovery. Fast efficient natural solution to your pain. Stop living in pain!

Elizabeth is a board certified massage therapist who graduated from Lakeside School of Massage Therapy. Elizabeth has had over 10 years of experience working in spas, physical therapy clinics and private practice. Elizabeth specializes in therapeutic and deep tissue massage with the goal of decreasing client's pain and muscle tension. It is through massage that Elizabeth became interested in acupuncture, wanting to be able to do more for her clients. Elizabeth graduated magna cum laude from Midwest College of Oriental Medicine in 2010 with a Masters of Science in Oriental Medicine and a Bachelors of Science in Nutrition. While in school Elizabeth completed an internship at Guangzhou University in China. Elizabeth has completed level three training in Rieki and has found combining the two modalities extremely beneficial in balancing her patients Qi and alleviating pain. Elizabeth has had great success decreasing patient pain with the use of electro-acupuncture. While majority of Elizabeth's patients come to her for pain relief, she regularly treats allergies, anxiety, digestion problems, gynecological problem, insomnia, headaches and migraines.

Dr. Eliesha Evans specializes in the management and treatment of complicated chronic pain syndromes. Additionally, Dr. Evans brings more than 25 years of clinical expertise and training to each and every case thereby ensuring your best outcome. Dr. Evans and her experienced, board certified staff use a “whole person approach”. This approach to wellness means looking for underlying causes of any disturbance or disruption (which may or may not be causing symptoms at the time) and make whatever interventions and lifestyle adjustments that would optimize the conditions for normal function. Using this unique approach, Dr. Evans is able to help you accelerate and/or maintain a journey to good health.
