**FINIS
Long Fin**

1.05.037

\$23.65

Required for Express 8's and all AG groups.
AG Performance may use long or short fins.

The FINIS Floating Fins increase leg strength and help athletes swim at faster speeds. With its long, hydrodynamic blade, the Floating Fins add propulsion to flutter and butterfly kick.

Size XXXS XXS XS S M L XL XXL XXXL

**A3 Performance
Pro Fin**

A3PRF

\$20.97

Required for Express 8's and all AG groups.
AG Performance may use long or short fins.

Large, flexible rubber blades. For beginners, these fins move more water, improve body position and build confidence to learn the basics of swimming. For more experienced swimmers these fins improve body position for focus on drills and technique.

Quantity *Equal to men's shoe sizing. Female size down 1-2 sizes.*

**Speedo
Short Blade
Training Fins**

7530412

\$36.26

Required for National and Senior groups.
AG Performance may use long or short fins.

Soft silicone short blade training fins help you develop a stronger, faster flutter kick. Super-soft silicone foot pocket provides extended comfort and secure fit. Short, straight blade helps maintain proper kick/stroke tempo.

FINIS
Zoomers
Gold
 2.35.003
\$29.95

Required for National and Senior groups.
 AG Performance may use long or short fins.

Combining a decade of experience and feedback FINIS has changed the original Zoomers® formula to improve comfort and performance. Zoomers® Gold provides a new level of foot pocket comfort, while improving blade stiffness, to create a completely new Zoomers fin. Zoomers® Gold now has a soft rubber foot pocket for more comfort. The Zoomers® Gold blade stiffness is now a balance between that of the red and the blue Zoomers®. Train with Zoomers® Gold for a stronger faster kick with ideal propulsion. This fin can be used by all levels of swimming to boost cardiovascular conditioning and accelerate speed during workouts.

FINIS
Agility Hand Paddles
 1.05.145
\$15.71

Required for AG Performance, National, and Senior groups.

The ergonomically advanced design of the Agility Paddles helps teach swimmers the correct palm positive hand position. Due to the paddles strapless design, incorrect technique will cause the paddle to fall off the swimmer's hand. The Agility Paddles' convex design also promotes an early catch and reminds the swimmer to maintain an early vertical forearm position. This versatile paddle works for all four strokes and accommodates most hand sizes. Not only are the Agility Paddles durable, but the absence of straps makes them more comfortable for the swimmers and easier for coaches, who no longer have to hassle with broken straps during practice.

Large for Boys (Senior group & up)

FINIS
Foil
Monofin
 1.35.012
\$50.40

Required for Senior Black and National Team groups.

Senior Black: Optional but Encouraged!
 National Team: Required!

The Foil Monofin promotes an equal use of down and up kicks for propulsion throughout the entire dolphin kick movement by teaching the Foil technique and increasing the swimmer's core and leg strength.

**FINIS
Swimmer's
Snorkel**

1.05.009.50

\$36.73

Required for all groups except Express 8's and AG White teams. AG groups can choose either regular or junior size.

The Swimmer's Snorkel allows swimmers the ability to focus on stroke technique without the interruption of turning your head to breath.

Quantity

**FINIS
Junior
Swimmer's
Snorkel**

1.05.009.48

\$36.73

AG groups can choose either regular or junior size. Not required for AG White.

The Swimmer's Snorkel Jr provides new and younger swimmers the ability to focus on stroke technique without interruption. The snorkel allows kids to relax in the water and maintain proper body alignment and head position.

Quantity

**Comfort Pull Buoy
1-Piece
PB1PC**

\$7.88

Required for all groups except Express 8's.

The best way to strengthen any muscle is to increase the weight you're pulling. The pull buoy allows your arms to do just that. Simply place it between your knees, eliminating the need to kick and allowing your arms to pull your whole weight through the water.

Quantity

Some people require more buoyant pull buoys than others. Anyone with large legs, heavily-muscled legs, or legs that have a tendency to sink should look for a larger pull buoy. To that end, there is some variety when it comes to choosing the size — and therefore buoyancy — of a pull buoy. Buoys with thicker, wider, and more generous ends keep even the heaviest legs at the surface of the water. Too-small pull buoys won't keep the legs high enough, and can reinforce an incorrect body position. Children and petite people should get pull buoys in smaller sizes; either ones designed specifically for juniors, or merely in a smaller size. Although smaller people can still use large pull buoys, they won't be as balanced in the water and the large pull buoy can prevent some of their body's rotation as they swim.

**FINIS
Tempo Trainer
Pro**

1.05.120

\$47.29

Required for Senior Black and National Team.

Develop consistency and avoid lulls with a personal pace coach, the Tempo Trainer Pro. The small, waterproof device easily secures under a swimmer's cap and transmits an audible tempo beep. Athletes use the beep to train smarter and discover their perfect pace. Now with the option to replace the battery, the Tempo Trainer Pro will last multiple lifetimes. The advanced unit also has a new Sync button and a new mode in strokes/strides per minute for increased functionality. The Tempo Trainer Pro includes a clip for dry land exercise.
