

Waukesha Express Swim Team
Shopwithscrip.com Fundraiser Information
Fall 2009

Shopwithscrip.com is an online scrip program that our team uses to participate in the Great Lakes Scrip fundraiser program.

Scrip is an easy way to earn fundraising credits. You purchase gift cards/gift certificates from local businesses (gas stations, retail stores, restaurants, etc.) and you earn credits for your purchases. A list of retailers included in the program is available on the website, shopwithscrip.com.

What you need to do to participate:

1. Set up your account on the shopwithscrip.com website. You do not enter any credit card or payment information. You will need our organization code in the set up process. Organization code: 918EE8AD13252.
2. Place your order online.
3. Deliver payment to the pool by the due date.

Checks should be made payable to: Waukesha Express SwimTeam

For more information I have included the below link to theshopwithscrip.com family user guide:

Our first order due date will be Tuesday, September 15, and then delivery of that order is the following Tuesday, September 22. We alternate due dates and delivery dates every other week, and continue throughout the year.
